

# PRIVACY POLICY OF FIBER CHAT LIMITED

## 1. GENERAL PROVISIONS

1.1. This Privacy Policy (hereinafter referred to as the "Policy") describes the procedure implemented by FIBER CHAT LIMITED, the company registered at Vyzantiou 5, Strovolos Lefkosia, Cyprus, 2064 (hereinafter referred to as the "Company"), to collect and use the personal data in relation to use the service available at <https://fiberchat.us> (hereinafter referred to as the "Service"), including the contents, purpose of use and disclosure of the collected information to the third parties, as well as the rights of the Users with respect to such information. This Policy covers all persons, providing information in connection with the use of the Service (hereinafter referred to as the "Users").

1.2. The Company reserves the right to make at its own discretion any amendments to this Policy at any time and without any special notice to this effect. The new version of this Policy shall come into effect upon posting of the same on the Site. Continuing using the Service, the User confirms its consent to comply with the terms and conditions of the Policy in its current version. The Company recommends the Users to review the Policy more often in order to make sure that the User understands the terms, while using the Service. If the User does not agree with the terms of the Policy amended by the Company, he/she shall not be entitled to use the Service.

1.3. This version of the Policy shall come into effect on December 1, 2021 and remain valid until approval of a new version.

## 2. COLLECTION OF INFORMATION

2.1. The Company receives the following information on the Users during the Service use:

- name (nickname),
- email,
- phone.

2.2. Information on the Users may be provided by:

- filling out registration form,
- filling out details in sections Settings in Personal Account by the Users.

2.3. The Company may collect and process information through provision of information on the Users to its affiliates, subsidiaries or contractors under the respective service agreements between such third parties and the Company. The Company may collect and process data placed in the Service both in and out of the territory of the European Union. Irrespective of where the data are processed, the Company shall implement the same actions for security of the same, which actions are described herein.

### 3. INFORMATION USE AND TRANSFER

3.1. The Company shall be entitled to use information provided by the Users for communication with the Users, in order to check the data kept in Personal Account and for mailing and posting information and marketing messages by any means and in any media.

3.2. The Company shall be entitled to transfer information to its suppliers, consultants, marketing partners, research entities and any other service providers or business partners.

3.3. The Company may transfer data on the Users, if it believes that it is required by applicable law, regulation, valid contract, court proceedings or request issued by a public authority, ensuring security to the Users or the Service, in case of any claims and disputes, related to getting services under the Service and others by the Users.

3.4. The information on the Users may be provided by the Company to the third parties in connection with such events as merger or sale of the Company's assets, amalgamation and restructuring, financing and acquisition of a business as a whole or in part, or during the negotiations of such matters.

3.5. The Company may disclose information to the third parties in situations, which are not expressly stated hereby, subject to obtaining the User's consent to disclosure of information pertaining to him/her.

3.6. Any data transfer by the Company mentioned in this section includes possibility of cross-border data transfer.

### 4. STORAGE AND ERASURE OF INFORMATION

4.1. The Company keeps the information available in the User's Personal Account and any other data about the User until the Personal Account is not deleted by the User or until the Service gets the User's request for deletion of Personal Account.

4.2. The Users may at any time send the request for deletion of Personal Account. Upon receipt of such request, the Company shall delete all information on the User, except for the information that must be kept and shall restrict access of any third parties, including the Service Users, to data on such User which remains in the Service.

### 5. ACCESS TO AND CHANGE OF INFORMATION

5.1. The Users may change name, telephone number and e-mail address that were specified in the Personal Account.
